## REFLECT & JOURNAL

God our Creator, you created humankind in your image, and blessed us with your love.

Help us to show that love to one another as we work for equality for all races in education, housing, public services, and employment opportunity.

Give us strength and courage to speak out against injustice, and to work for the transformation of unjust systems that keep some in bondage: that we may more fully live out your kingdom here on earth; through Jesus Christ your son, who came to set us free.
